
Six weeks in the lab.

What's coming out of it.

01

One place.

Plan, court, monitoring and return to play.

02

The court sheet.

Effective time, per player.

03

Load, read honestly.

A missing number is not a zero.

04

Wellness in a minute.

From the athlete's phone.

05

A report for whoever reads it.

AI drafts, you check.

06

Return to play.

One criterion at a time.

This is TrainMind.

Built in the lab, for basketball. Opening soon.
